

Fast Wireless Connection with Vodafone Mobile Broadband.

Business Benefits

Speed

- Data speeds up to 7.2 MBps
- Assured network availability and performance
- Connectivity throughout the world (network dependant)
- Switch seamlessly between 3G and GPRS to maintain connection for uninterrupted data transfer at the best attainable speed

Improved workflow and service levels

- Connect to your company LAN wherever and whenever you need
- Respond quickly and efficiently to the demands of clients and colleagues

Productivity

- Improve the efficiency of your remote workers by reducing down time and increasing productivity whether they are on the road, working from home, or in the airport

Flexibility

- Remote network connectivity means your workers can spend more time on core tasks without the need to return to the office to complete paperwork
- It will also help you to offer your employees a better work/life balance, potentially leading to an increase in worker loyalty and improved job satisfaction

As a business service provider Alternative Networks brings you the latest in wireless mobile connection solutions as part of our extensive data hardware portfolio. The Vodafone Mobile broadband modem allows you to get 'online' using your laptop without the need to plug in your mobile or find a phone connection whilst out of the office. Combining both the hardware and software it's easy to install and provides all you need to access the Internet, connect to the corporate LAN and send and receive emails.

What is the Vodafone broadband modem?

The benefits of a mobile office have become increasingly desirable, the need for affordable, easy to implement and easy to use data solutions has increased. Whether you're a small business or you're looking for new ways to improve mobility in a traditional office environment the broadband modem provides the perfect solution.

How is the Vodafone mobile broadband installed?

It just takes minutes to set up mobile broadband on your laptop. Simply plug the modem into your laptop and you will be able to access email, browse the web and send SMS messages at the click of a button.

Trial the Vodafone mobile broadband modem for 30 days

For a limited period only, we're offering customers the opportunity to trial the mobile broadband modem over 30 days. After this time you can then either sign a 12 month contract or return the modem under the promotion terms and conditions for a full refund of the hardware cost and no further contract commitment.

Terms and Conditions

- 1) The Customer agrees that Alternative Networks plc ("AN") shall supply the Customer with 1 (one) Vodafone Mobile Connect 3G/GPRS datacard inclusive of a SIM Card ("the Connect Card") for the purposes of a 30 (thirty) day trial commencing upon the date of activation of the Connect Card ("the Trial Period").
- 2) The Customer shall pay AN £127.00 in respect of the Connect Card ("the Connect Card Charge"). At the end of the Trial Period if the Customer fails to return the Connect Card by 5pm on the 30th day of the trial (or if a non business day the previous business day) the Customer shall be deemed to have entered into a contract for use of the Connect Card for a period of 12 months less the Trial Period upon the terms and conditions of the Agreement.
- 3) If the Customer deactivates and returns the Connect Card to AN by 5pm on the 30th day of the trial (or if a non business day the previous business day), AN will refund the Customer the Connect Card Charge. AN reserves the right to set off the refund against any amount due and owing by the Customer to AN (including but not limited to the Agreement and this Addendum)
- 4) The Customer shall pay the following during the Trial Period: a. an access charge of £20.00 for the duration of the Trial Period. b. all data charges incurred by the Customer with the Connect Card. At the end of the Trial Period, if the Customer does not return the Connect Card in accordance with Clause 3 above, the Customer shall pay the Charges in accordance with the Agreement
- 5) The Customer acknowledges that in the event the Connect Card is lost, stolen, damaged, returned incomplete or without original packaging during the Trial Period, the Customer shall forfeit the Connect Card Charge.
- 6) In the event of any inconsistency between the terms of this Addendum and Agreements, the terms of this Addendum shall prevail.
- 7) All other terms and conditions of the Agreements shall remain the same.
- 8) The Promoter reserves the right to withdraw or cancel the promotion at any time in the event of circumstances beyond the control of the Promoter.
- 9) The number of cards made available to the participant is at the Promoter's discretion.
